Dated: 10/2/2022

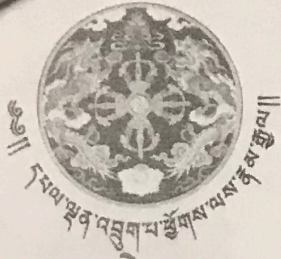

Notification

Revision of selling price on selected vegetables

This is to notify that the Ministry of Agriculture and Forests has revised the price of the selected vegetables for Thimphu Thromde due to the change in the current price at source. However, the price of other vegetables shall remain unchanged and it will be based on the earlier notification. The revised price for the selected commodities highlighted below shall come into effect from 10<sup>th</sup> February 2022 until the current lockdown ends.

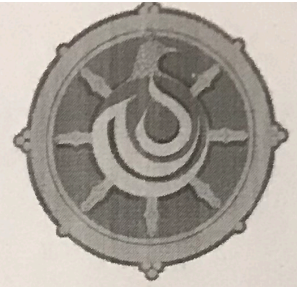

The price is arrived at considering the Cost of Production (applicable for local produce), Landing price at Phuntsholing (applicable for imported produce), Transportation costs and Operational Costs including profit margin.
